LET US ENTERTAIN YOU!

Friday 16th September **Egremont Market Place**

For the past two years the Friday night event has gone from strength to strength, and this year we are hoping to top the last. As you will appreciate this event is totally free and we rely on funding and sponsors so with thanks to Sellafield Ltd., Mayson Bros, O'Connor Fencing, Egremont PhysioFirst Ltd. and Ted Sharkey who organised a fund raising Race Night, we can make this happen.

We try to bring a variety of acts to Egremont to ensure everyone both young and old (even the young at heart) can enjoy an evening of fun and entertainment. In 2009 we had Mark Summers (Elvis tribute) who wowed the crowds along with Clubland artist and ex Bucks Fizz girl Sally Jaxx. Last year along with local acts we had recording artist Kelly Wilde and 80's legend Hazel Dean.

This year along with local acts (see listing) we are trying something different with the Laughing Legends which are the ultimate comedy and variety tribute show and are not to be missed. We also have recording artist Nicki French who had a number one hit with Total Eclipse of the Heart back in 1995 and has also represented the United Kingdom in the Eurovision song contest in 2000.

Closing the show this year is the one and only Clubland and dance legend Kelly Llorena who has had top ten hits with Tell It To My Heart, True Love Never Dies and Heart Of Gold along with many more, so please make your way down to the Market Place on the 16th of September and we look forward to seeing you **DANCING IN THE STREET!**

We are dedicating this years evening events to the memory of local girl Danica Maxwell who sadly lost her battle with cancer 3 days before Christmas day last year. Danica was brave, beautiful and an inspiration to everyone that knew her. The committee are going to miss her involvement in the Crab Fair as she took part in many of the events and was always a regular in the Market Hall on the Saturday night.

On the Friday night there will be a balloon release in memory of Danica. The balloons will be purple, which was Danica's favourite colour! They will be on sale at the Market Place and we will be asking you to release balloons around 8.45pm, all money raised from the sale of the balloons will go to DANICA'S DREAM FUND.

EGREMONT CRAB & SPORTS FAIR 16 & 17 SEPTEMBER 2011

The Abandon Normal Devices (AND) Festival is delighted to be welcomed as part of this year's Crab Fair activities. Egremont will be AND's first stop on its tour of the Northwest, bringing a unique programme of artists' interventions and special screenings that remix heritage and sport.

FRIDAY 16 SEPTEMBER

7:00pm – 11:00pm FILM SCREENING – THE KINGS ARMS, MAIN STREET

Watch a kaleidoscope vision of past traditions, folklore and rituals, with a very special screening of *Here's a Health to the Barley Mow: A Century of Folk Customs & Ancient Rural Games*. This features a collection of archive footage selected by the BFI in collaboration with the English Folk Dance and Song Society. This 65 minute screening will play on a loop over the four hours

SATURDAY 17 SEPTEMBER

10:00am – late THE COMMENTATORS – STAN CAFÉ

The Commentators' Match of the Day/World of Sport days are over, they are now freelance and slightly desperate, commentating on anything if you pay them enough and keep the pork pies coming. You can tune in to the live Commentary and follow all the action via the web from the comfort of home.

10:00am – 2:00pm ABANDON NORMAL DEVICES MARKET STALLS

AND has invited artists to pitch up on the main street with a range of stalls that will ask you to compete and consume.

10:00am – 8:00pm AND SHORT FILMS, 50A GALLERY, MAIN STREET

Take a break from the fair action and watch a selection of short films, including dramas, animations and innovative, unconventional approaches to film making.

3:15pm – 3:45pm PIGS BLADDER FOOTBALL GAME, SPORTS FIELD ARENA

Come along and witness the launch of the very first game of Pigs Bladder Football to take place in the 21st Century! Developed locally by artist John O'Shea, with the support of Florence Mine Arts Centre and the Workington Uppies and Downies community, this new game has been devised especially for presentation within the unique environment of Egremont Crab and Sports Fair.
